Dear Hiring Team,

I am Chayan Yadav, a first-year B.Tech student majoring in Ecommerce Technology at VIT Bhopal University. I am writing to express my interest in summer internship opportunities at M'icrosoft India for the upcoming vacation period (May–June 2026).

I am particularly drawn to Microsoft India because of your work in software development and your reputation for mentoring student interns. I am eager to apply my academic knowledge in a professional environment and contribute meaningfully to your team, even at an early stage of my education.

I would be grateful if you could share information about any open internship positions or application procedures. I am available to discuss my background further at your convenience.

Thank you for your time and consideration.

Yours sincerely,
Chayan Yadav
