Dear Professor Omprakash Hari,

I hope this email finds you well. I am Chayan Yadav, a first-year B.Tech student (Reg. No. 25BEY10019) from your Calculus class.

I am writing to respectfully request a short extension of 2–3 days for the Laws of Inference Assignment due on 31 March 2026. Due to a medical issue, I have been unable to complete the assignment to the standard I would like to submit.

I have completed approximately 60% of the work and am committed to submitting a complete and quality submission by 3rd April 2026. I take full responsibility for managing my time better going forward.

Thank you for considering my request. Please let me know if you require any documentation or further details.

Yours sincerely,
**Chayan Yadav**
